Manufacturer's Declaration of RoHS and REACH Compliance

We hereby declare that all products manufactured and placed on the market by **NEW LIFT Neue elektronische Wege Steuerungsbau GmbH** comply with the requirements of the following directives and regulations:

- RoHS Directive 2011/65/EU (including amendments by Delegated Directive (EU) 2015/863) on the restriction of the use of certain hazardous substances in electrical and electronic equipment
- REACH Regulation (EC) No. 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals

Our products are developed, manufactured, and controlled in compliance with applicable legal requirements. In particular, we ensure that:

- the substance restrictions of the RoHS Directive are complied with
- no substances from the current Candidate List of Substances of Very High Concern (SVHC) under REACH are present above a concentration of 0.1% weight by weight (w/w), unless explicitly declared
- all relevant information obligations within the supply chain are fulfilled

NEW LIFT Neue elektronische Wege Steuerungsbau GmbH ensures compliance with these requirements through appropriate measures such as supplier evaluations, material declarations, and internal control processes.

This declaration is based on information provided by our suppliers as well as internal assessments and is valid as of the date of issue. While we consider this information to be reliable, we do not assume any liability for the accuracy and completeness of the data, recommendations, and information contained herein.
